7. **Take the survey following these directions . . .**
  - Pick a color to start with. If you pick orange, read all of the orange boxes (scroll down as needed to see all six rows)
  - Ask, "What orange sentence best represents the stage I most find myself in now?"
  - Click that box
  - All the other orange boxes will turn gray
  - Go to the next color you choose
  - Scroll down to view your results and recommendations

You can also create a PDF personalized report of your results and recommendations as well as login to your account (created above) to access your data.

Now you are ready to start talking about what you found out:

- Talk to God, a group leader at church, a faith friend.
